

Stand Up c. 2025 Words and music by Gary Scarpello except *words by John Lewis

CH: Standing up, Standing up
Keep on fighting for our rights
For our rights
Standing Up

1. The time is now, To make a stand
Stand Up, Make a stand
Make a stand, Now hold our ground
Be Strong, Hold our ground

We've waited long enough
It's time to do what's right
We're makin' good trouble*
Now win this fight!

2. Speak the truth, Against the night
Speak up, Speak the truth
We march today, to Bring the light
Rise Up Be the light

We've waited far too long
It's time to do what's right
We're makin' good trouble
Now win this fight! (B)

Ch: 2X + (B)

Bridge:

A fight is comin', Across this land
We can't run away. Got to make a stand
Stand up and fight, To save our rights
Defend our laws, Defend the Constitution
The Constitution

Solo (over verse)

We've waited long enough
It's time to do what's right
We're makin' good trouble
Now win this fight! (B)

CH: 2X +

3. Don't give up, Now don't give in
Stand Up Up, Don't give in
Join our hands, To heal this land
Join hands, Heal this land

We've waited far too long
It's time to do what's right
We're makin' good trouble
Now win this fight! (B)

CH: 2X

We're makin' good trouble
Now win this fight!
