

Can You Feel It (Come And Heal Us)
A Song for the Soul of America
c. 2023 & 2024 by Gary Scarpello & Catherine C. Scarpello

Intro
Oooo

Ch
Can you feel it
Can you feel it now
Can you feel it
Hold on

Ch
Can you feel it
Can you feel it now
Can you feel it
Hold on

V1
There's a darkness in this land
Wants to tear our soul apart
Hold your ground, make a stand
Hold on

Can you feel it
Can you feel it now
Can you feel it
Oh ooo ooo

V2
They attacked the People's House
Tried to kill the dream, that day
Sold their soul, just like Faust
Hold on

Br 1
Come and hear us now
Come and free us now
Come and heal us now

Come and heal us now
Come and heal us now
Heal us all

Ch
Solo 1

Solo 2

V3
We have laws in this here land
Not the law of just one man
There's one law, for us all
Hold on

Br 2
We can rise above
We can join in love
We can heal this now

V4
Lift our voices loud & clear
Let it echo 'cross the land
Break the fever, calm the fear
Hold on

Shine on Freedom now
Shine on Justice now
Heal us all

Chorus Ending and Fade
